To: Alex Gault, (Peter Warshall)
From: Diana Hadley

I'm enclosing the list of places I've faxed with the fund raising letter. I will follow up with a few crucial phone calls this week. Even more important, probably, would be to have Alex send a personal letter of request (this same letter, but personally addressed to the individual presently responsible for the organization) to the most likely supporters. We have $1000 committed from Arizona Friends of Tibet and Peggy Hitchcock and probably a few hundred more from individuals in that organization. So that could be mentioned in the updated fund rasing letter. If you don't have time to do this, I can get my secretary here at work to type up a personal cover letter from me as the volunteer fund-raising coordinator and member of a Friends of Tibet support group and send that as a cover to Alex's letter and the two descriptive print-outs both to the organizations I've already contacted and to the ones which do not have fax numbers. Let me know what you want to do Alex. [Peter, should I try Sky Crosby?]

Faxed as of 7/29/97 3:00 PM
International Crane Foundation
Snowleapord Trust
Tibetan Plateau Project
Wildlife Conservation International
World Resources Institute (Asia Program)
Institute for Asian Democracy
International Committee of Lawyers for Tibet
International Tibet Independence Movement
US Tibet Committee
Tibetan Rights Campaign
The Milarepa Fund
Friends of Tibet Organizations (FOTs)
Stanford FofT

There are probably 25 more FOT organizations that do not have FAX numbers listed.
Here are the choices for proceeding: I have Elizabeth mail copies of your letter to them,
Have Elizabeth call them and ask for name of head honcho and fax number,
Just don't bother with them and concentrate on present contacts.
Please let me know tomorrow. I'll be at work after 10:00 AM

Saludos,
Diana
